OAKS AND ACORNS IN HARMONY C.I.C

ANNUAL REPORT MAY 2022

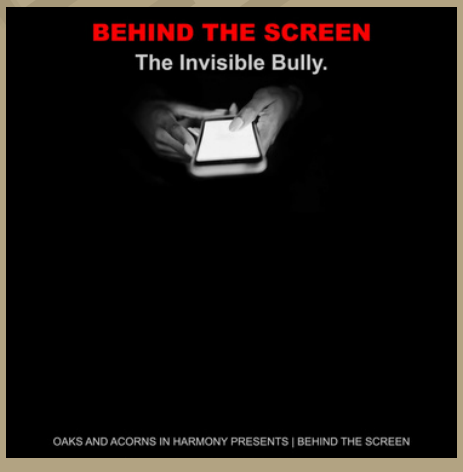
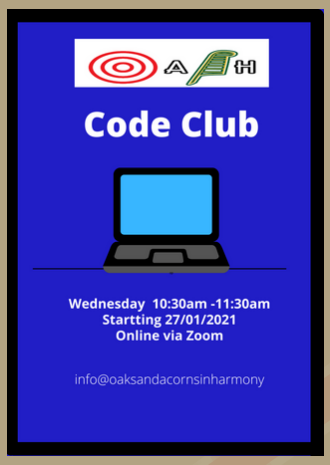
2022 marks our 4th year of existence and first 19 months of becoming a Community Interest Company – here is a snapshot of what we have been delivering for Families of African Descent who live in Lewisham.

Our flagship project – Family Learning Sessions have continued to amaze and humble us by the creative abilities of our young people...

Look what they have produced over the last 3 terms



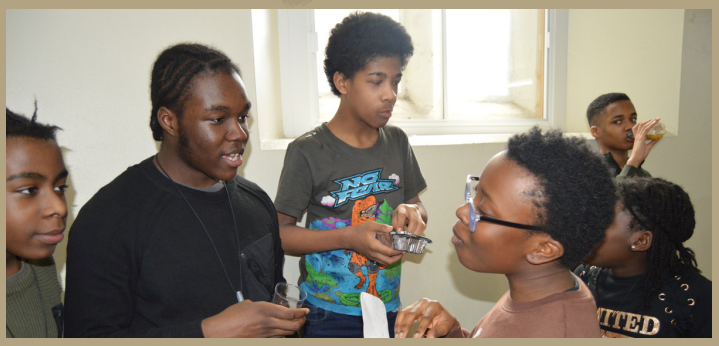


February 2020 saw the launch of our online CodeClub - delivering 1 hour of weekly code sessions in Scratch, Python, HTML & CSS. During these sessions we have developed and practised coding skills with children aged 5 - 15 years old.

We are the proud team who host
The Hebe Foundation's Junior Apprentice
We are Lewisham Team - winning in our first year July 2020 and runners up July/August 2021.

Team OAIH won various medals at the Pan Afrikan Sports and Cultural Day at Battersea Park and placed 3rd in the overall competition!

Join us this year on July 9th!!!



We All Eat Together is our food redistribution service which ran in full from September 2020 until July 2021 - working in partnership with Nika's Kitchen, Nancy's Community Kitchen, Tesco Community Kitchen and Food Share Go. We have delivered cookery workshops, hot meals, breads and bakery, fruit and vegetables to individuals and families within our community. We are currently offering reduced elements of this service.

March 2021 saw the start of our Weekly Park Meets.
Whether it's raining or sunshine, we venture out and have visited many of Lewisham's parks and green spaces including The Ital Garden, Beckenham Place Park, Telegraph Hill and Ladywell Fields.

August 2021 we partnered with Brixton Surf Club and ventured off on a 4 day residential trip to Surf on the Cornish Waves

October 2021 we delivered our Autumn Enrichment Project that was funded by Lewisham Safer Neighbourhood Board. Our week long project had the theme of "Keeping Our Young People Safe"

Focusing on online safety and providing opportunities to use social media for positive purposes, we welcomed guest speakers who were able to engage and inspire our young people to value their self worth and arm them with knowledge and options to reach their highest potential.

2022/23 is already set to be a year full of activity with something to offer all our African Descendant Community in Lewisham and our neighbours.
